An on-demand video will be posted after the event.

The emergence of the omicron variant brings new questions and uncertainties during a time of increased holiday travel. How dangerous is omicron with its unusual combination of mutations? Will current vaccines protect against it? And, what do families need to know, in general, to

gather safely for the holidays? Join Harvard Chan research fellow Stephen Kissler for a free, live-streamed Q&A about the latest on the pandemic with Elana Gordon of The World.

EXPERT PARTICIPANT

Stephen Kissler, Research Fellow, Department of Immunology and Infectious Diseases, Harvard T.H. Chan School of Public Health

MODERATOR

Elana Gordon, Reporter and Producer, The World

Coming up

December 16, 12pm: **COVID-19, Women and Health: Global Impacts**. [Register](#).
